

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC35871
Name	m-PEG3-succinimidyl carbonate

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:

Chemical Properties

CAS	
Formula	C ₁₂ H ₁₉ NO ₈
MW	305.28
Storage	
Structure	 <p>The chemical structure shows a succinimide ring connected via a carbonyl group to a carbonate group. This carbonate group is further linked to a polyethylene glycol (PEG) chain consisting of three repeating units of ethylene glycol, ending in a hydroxyl group.</p>
