

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC35983
Name	Methyltetrazine-acid

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com

Chemical Properties

CAS	
Formula	C11H10N4O2
MW	230.23
Storage	
Structure	 <p>The chemical structure shows a methyltetrazine ring (a six-membered ring with four nitrogen atoms and one methyl group) connected to a benzene ring. The benzene ring is further substituted with a propionic acid chain (-CH2-CH2-COOH).</p>
