

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC36384
Name	Sporidesmolide II

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:

Chemical Properties

CAS	
Formula	C ₃₄ H ₆₀ N ₄ O ₈
MW	652.87
Storage	
Structure	 <p>The image shows the chemical structure of Sporidesmolide II, a large cyclic molecule with a complex ring system. It features several methyl groups (CH₃) and oxygen atoms (O) attached to the ring. The structure is highly symmetrical and complex, with various functional groups and stereochemistry indicated.</p>
