

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC36386
Name	Neoaueroethin

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com

Chemical Properties

CAS	
Formula	C ₂₈ H ₃₁ NO ₆
MW	477.56
Storage	
Structure	 <p>The chemical structure shows a complex molecule with a central chain of fused rings, including a benzene ring, a pyridine ring, and a furan ring, with various substituents including chlorine atoms and a nitro group.</p>
Purity
