

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC36450
Name	Terpendole C

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**  
sales@dcchemicals.com  
order@dcchemicals.com

## Chemical Properties

CAS	
Formula	C <sub>32</sub> H <sub>41</sub> NO <sub>5</sub>
MW	519.68
Storage	
Structure	 <p>The image shows the chemical structure of Terpendole C, a complex polycyclic molecule with multiple stereocenters, a lactone ring, and a fused benzene ring system. The structure is labeled 'Chem'.</p>
Purity
