

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC32112
Name	Sorbinil

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	68367-52-2
Formula	C <sub>11</sub> H <sub>9</sub> FN <sub>2</sub> O <sub>3</sub>
MW	236.2024
Storage	
Structure	 <p>The chemical structure of Sorbinil is shown. It features a piperidine ring system with a carbonyl group and a chiral center. The chiral center is labeled 'Chiral' and has a fluorine atom (F) attached. The structure is drawn with a dashed bond to the nitrogen atom and a solid bond to the fluorine atom.</p>
