

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC32113
Name	Pregnanolone

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	128-20-1
Formula	C ₂₁ H ₃₄ O ₂
MW	318.501
Storage	
Structure	 <p>The image shows the chemical structure of Pregnanolone, a steroid with a hydroxyl group at C3 and an aldehyde group at C20. The structure is shown in a skeletal representation with stereochemistry indicated by wedges and dashes. The aldehyde group is labeled with 'CHO' and 'H'.</p>
