

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC32213
Name	Phthalocyanine

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	574-93-6
Formula	C ₃₂ H ₁₈ N ₈
MW	514.552
Storage	
Structure	 <p>The image shows the chemical structure of Phthalocyanine, a macrocyclic compound consisting of four nitrogen atoms coordinated to a central point, forming a ring with four benzene rings attached to the nitrogens.</p>
