

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC32442
Name	Methoprene

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:

Chemical Properties

CAS	40596-69-8
Formula	C ₁₉ H ₃₄ O ₃
MW	310.478
Storage	
Structure	 <p>The chemical structure of Methoprene is shown as a skeletal structure. It features a long chain with a methyl group at the end, a double bond, and a carbonyl group. The structure is labeled with 'H-C' and 'C-H' at various points along the chain.</p>
