

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC32587
Name	Didesmethylrocaglamide

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	177262-30-5
Formula	C ₂₇ H ₂₇ NO ₇
MW	477.513
Storage	
Structure	 <p>Chemical structure of Didesmethylrocaglamide, showing a central chiral center (labeled 'Chiral') with various substituents including a benzamide group, a hydroxyl group, and a methoxy group, along with a complex ring system containing a methoxy group and a hydroxyl group.</p>
