

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC32625
Name	Coumafuryl

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	117-52-2
Formula	C <sub>17</sub> H <sub>14</sub> O <sub>5</sub>
MW	298.29
Storage	
Structure	 <p>The chemical structure shows a coumarin core with a hydroxyl group at position 7 and a furfuryl group at position 3. The furfuryl group is attached to a chiral center, which is also bonded to a methyl group and a carbonyl group. The word 'Chiral' is written above the furfuryl group.</p>
