## Chemical Properties

CAS	508-75-8
Formula	C <sub>29</sub> H <sub>42</sub> O <sub>10</sub>
MW	550.64
Storage	
Structure	 <p>The image shows the chemical structure of Convallatoxin, a complex polycyclic molecule. It features a central ring system with multiple oxygen atoms and hydroxyl groups. A label 'CH3' is present above the structure. The structure is drawn in a perspective view showing stereochemistry.</p>
