

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC33745
Name	Cyclopropyl methyl ketone

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C13H16O
MW	188.27
Storage	
Structure	 <p>The image shows the chemical structure of cyclohexyl methyl ketone, which consists of a cyclohexane ring attached to a carbonyl group, which is further attached to a methyl group. The SMILES representation is <chem>CC(=O)C1CCCCC1</chem>.</p>
