

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34020
Name	(Z)-Guggulsterone

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**  
sales@dcchemicals.com  
order@dcchemicals.com

## Chemical Properties

CAS	
Formula	C <sub>21</sub> H <sub>28</sub> O <sub>2</sub>
MW	312.453
Storage	
Structure	 <p>The image shows the chemical structure of (Z)-guggulsterone, a complex polycyclic molecule with a decalin core, a cyclohexene ring, and a side chain containing a ketone and a (Z)-alkene group.</p>
Purity
