

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34153
Name	Tetramethrin

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>19</sub> H <sub>25</sub> NO <sub>4</sub>
MW	331.41
Storage	
Structure	 <p>The chemical structure of Tetramethrin is shown. It consists of a cyclopropane ring substituted with a methyl group and a propenyl group. The propenyl group is linked via an ester bond to a piperidine ring system that contains two carbonyl groups.</p>
