

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34198
Name	(-)-Pironetin

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>19</sub> H <sub>32</sub> O <sub>4</sub>
MW	324.46
Storage	
Structure	 <p>The image shows the chemical structure of (-)-Pironetin, a complex molecule with a cyclohexene ring, a lactone ring, and a long side chain containing multiple stereocenters and a terminal alkene. The structure is labeled with 'C H 3' and 'O H' groups, and a 'Cis' label is present above the side chain.</p>
