

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34480
Name	Cerebrosterol

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>27</sub> H <sub>46</sub> O <sub>2</sub>
MW	402.66
Storage	
Structure	 <p>The image shows the chemical structure of Cerebrosterol, a steroid with a side chain at C-17 and a hydroxyl group at C-3. The structure is labeled with 'H-C' and 'C-H' at the end of the side chain, and 'OH' at the C-3 position. The steroid nucleus is shown with stereochemistry at various positions.</p>
