

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34546
Name	Grifolic acid

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C ₂₃ H ₃₂ O ₄
MW	372.51
Storage	
Structure	 <p>The image shows the chemical structure of Grifolic acid, which consists of a substituted benzene ring connected to a long, branched side chain containing multiple double bonds and a terminal methyl group.</p>
Purity
