

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34555
Name	Fluvastatin Methyl Ester

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C ₂₅ H ₂₈ FNO ₄
MW	425.5
Storage	
Structure	 <p>The chemical structure shows a central chiral center connected to a methyl ester group, a hydroxyl group, another hydroxyl group, and a side chain containing a double bond and a fluorophenyl ring. The nitrogen atom in the side chain is substituted with a methyl group.</p>
