

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC34969
Name	NH-bis(PEG4-Boc)

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:

Chemical Properties

CAS	
Formula	C30H61N3O12
MW	655.83
Storage	
Structure	A chemical structure diagram showing a central nitrogen atom bonded to two Boc-protected PEG4 chains. The Boc groups are represented as tert-butyl carbonyl groups, and the PEG4 chains are shown as zigzag lines representing the polyethylene glycol backbone.
Purity
