

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC35202
Name	Bromo-PEG3-t-butyl ester

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>13</sub> H <sub>25</sub> BrO <sub>5</sub>
MW	341.24
Storage	
Structure	 <p>The chemical structure shows a bromo-terminated poly(ethylene glycol) chain (PEG3) linked to a t-butyl ester group. The PEG chain consists of three ethylene glycol units, and the t-butyl ester group is attached to the end of the chain.</p>
