

## Certificate of Analysis

Target	Inhibitors & Agonists>>Others>>Other Targets
Cat.No	DCS-076
Name	Eriodictyol

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	552-58-9
Formula	C <sub>15</sub> H <sub>12</sub> O <sub>6</sub>
MW	288.25
Storage	4°C for 1 year, -20°C for more than 2 years
Structure	 <p>The chemical structure of Eriodictyol is shown. It consists of a chromane core with a 3,4-dihydroxyphenyl group attached to the 2-position of the chromane ring. The hydroxyl groups on the phenyl ring are highlighted in red.</p>
Purity	>98%, Standard References Grade
