## Chemical Properties

CAS	94-62-2
Formula	C17H19NO3
MW	285.34
Storage	4°C for 1 year, -20°C for more than 2 years
Structure	 <p>The chemical structure of Piperine is shown, consisting of a piperidine ring connected via a chain of two trans double bonds to a 3,4-dihydro-2H-benzofuran ring system.</p>
Purity	>98%, Standard References Grade
