

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC38098
Name	Thiodipropionic acid

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	111-17-1
Formula	C6H10O4S
MW	178.2
Storage	
Structure	 <p>The chemical structure shows two propionic acid chains connected by a sulfur atom. Each chain consists of a three-carbon backbone with a carboxylic acid group at the end. The sulfur atom is bonded to the second carbon of each chain.</p>
