

## Certificate of Analysis

Target	Inhibitors & Agonists>>Others>>Other Targets
Cat.No	DCL-077
Name	Glucoraphanin

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**  
sales@dcchemicals.com

## Chemical Properties

CAS	21414-41-5
Formula	C <sub>12</sub> H <sub>23</sub> NO <sub>10</sub> S <sub>3</sub>
MW	437.51
Storage	4°C for 1 year, -20°C for more than 2 years
Structure	 <p>The chemical structure of Glucoraphanin consists of a glucose molecule linked to a sulfur atom, which is further connected to a chain containing a double bond, a methylsulfonamide group, and a propylsulfonamide group.</p>
Purity	>98%, Standard References Grade
