

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37884
Name	Morphiceptin

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>28</sub> H <sub>35</sub> N <sub>5</sub> O <sub>5</sub>
MW	521.61
Storage	
Structure	 <p>The image shows the chemical structure of Morphiceptin, a cyclic peptide. It features a central cyclic backbone with various side chains, including a benzyl group, a piperidine ring, and a piperazine ring. The structure is labeled with 'DC37884' in the top right corner.</p>
