

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC36985
Name	Triphenyl phosphite

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C18H15O3P
MW	310.29
Storage	
Structure	 <p>The image shows the chemical structure of triphenyl phosphite, which consists of a central phosphorus atom bonded to three oxygen atoms, each of which is further bonded to a phenyl ring.</p>
Purity
