

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37156
Name	Benzylideneaniline

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**  
sales@dcchemicals.com  
order@dcchemicals.com

## Chemical Properties

CAS	
Formula	C13H11N
MW	181.24
Storage	
Structure	 <p>The image shows the chemical structure of Benzylideneaniline, which consists of two benzene rings connected by a methylene group (=CH-). The nitrogen atom is attached to the methylene group, forming an imine structure.</p>
Purity
