

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37163
Name	Monomethyl adipate

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C7H12O4
MW	160.17
Storage	
Structure	 <p>The image shows the chemical structure of Monomethyl adipate, which is a seven-carbon chain with a methyl ester group at one end and a carboxylic acid group at the other. The structure is drawn in a skeletal format with explicit hydrogen and oxygen atoms.</p>
Purity
