

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37182
Name	Linalyl cinnamate

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C ₁₉ H ₂₄ O ₂
MW	284.4
Storage	
Structure	 <p>The image shows the chemical structure of Linalyl cinnamate. It consists of a linalyl chain (a branched chain with two double bonds and a methyl group) attached to a cinnamate group (a propenoate chain with a phenyl ring). The structure is drawn in a skeletal format with labels for atoms: H, C, and O.</p>
