

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37205
Name	Diethyl terephthalate

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com

Chemical Properties

CAS	
Formula	C ₁₂ H ₁₄ O ₄
MW	222.24
Storage	
Structure	 <p>The image shows the chemical structure of Diethyl terephthalate, which consists of a central benzene ring with two ethyl ester groups attached at the para positions. The structure is drawn with a benzene ring in the center, and two ethyl groups (-CH₂-CH₃) attached to the oxygen atoms of the ester groups (-COO-).</p>
