

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37482
Name	Etofenprox

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>50</sub> H <sub>54</sub> O <sub>5</sub>
MW	734.98
Storage	
Structure	 <p>The chemical structure of Etofenprox is a complex molecule featuring a central chiral center with two methyl groups (CH<sub>3</sub>) and a chlorine atom (Cl). It is substituted with a 4-chlorophenyl group, a 4-(benzyloxy)phenyl group, and a 4-(benzyloxy)phenyl group. The structure is shown in a 3D perspective view.</p>
