

## Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC37754
Name	Benzoylphenylalanine

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	
Formula	C <sub>16</sub> H <sub>15</sub> NO <sub>3</sub>
MW	269.3
Storage	
Structure	 <p>The chemical structure shows a central chiral carbon atom bonded to a hydroxyl group (HO), a benzyl group (a methylene group attached to a phenyl ring), an amide group (NH), and a benzoyl group (a carbonyl group attached to a phenyl ring). The label 'Chiral' is placed above the central carbon atom.</p>
