

Certificate of Analysis

Target	Products>>Novel inhibitors
Cat.No	DC36626
Name	Decafluorobenzophenone

Tel: +86-21-58447131
Fax: +86-21-61642470

Email:
sales@dcchemicals.com
order@dcchemicals.com

Chemical Properties

CAS	
Formula	C13F10O
MW	362.126
Storage	
Structure	 <p>The image shows the chemical structure of Decafluorobenzophenone, which consists of two pentafluorophenyl rings connected by a carbonyl group (C=O). Each ring has five fluorine atoms attached to it.</p>
