

## Certificate of Analysis

Target	Inhibitors & Agonists>>Others>>Other Targets
Cat.No	DCF-023
Name	2-(1-Ethoxyethoxy)ethylbenzene

**Tel:** +86-21-58447131  
**Fax:** +86-21-61642470

**Email:**

## Chemical Properties

CAS	2556-10-7
Formula	C <sub>12</sub> H <sub>18</sub> O <sub>2</sub>
MW	194.27
Storage	4°C for 1 year, -20°C for more than 2 years
Structure	 <p>The chemical structure shows a benzene ring attached to a 2-ethoxyethyl group. The ethoxy group is further substituted with a methyl group on the alpha carbon. The structure is drawn in a skeletal format with oxygen atoms highlighted in red.</p>
Purity	>98%, Standard References Grade
